MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with the Secretary of Defense,
6 October 1978

7. I reviewed my discussions with Dick Perle and Senator Jackson. I alerted them to the fact that:

a. Perle clearly indicated he had illegal OSD documents.

b. Jackson indicated there were very lax security procedures through which material was officially delivered to him and other people on the Hill from OSD.

10. I told him we'd have to take up the GAO at the next meeting as we had run out of time at this one.
